Dear Parents/Guardians,
We have finally come to the end of a very busy term. It has been event filled and extremely busy especially with the onset of Ramadan.

Term 4 will be busy too. We expect all our students to have a good rest during the holidays and revise over the work that they have covered during term. In addition our VCE 11 students will be sitting their very important LOTE oral and written exam soon. We wish all our students the very best and hope that they utilise the holidays to prepare thoroughly for the exam.

I take this opportunity to thank all my valuable staff with the hard work that they put in this term especially with the performance night and the entrance exams. The school is only the more richer with dedicated hard working staff, supportive parents and wonderful students.

As you know we have invited all our parents and friends for the iftar dinner that will be held over the holidays. We anticipate to see you all there and please don’t forget to RSVP by the given date.

Wishing the whole Isik College School community a great holiday and all the best with the duration of Ramadan and look forward to celebrating Ramazan Bayrami, Eid with you all on our return from the holidays.

Regards

Mr. Erdal Kocak
Principal

MEVLANA
Isik College Keysborough campus is initiating a new reading program aimed at improving the reading fluency of our students. We want to trial this program in Term 4 and need volunteers to assist. We anticipate the program running for 2 hours per day in the morning. It involves listening to students read for 10 minutes each. Volunteers will be asked to give a minimum of 2 hours as long as they can attend on a regular basis.

If you have time to give or would like more information an Information Session will be held in the library Monday 15th October. Come for a cup of tea at 3pm before the meeting which will commence at 3.20pm. A form will be available for you to apply as a volunteer and further training will be given at a later date.
Thank you.
