Dear Parents/Guardians,

We welcome back all our students, family and friends to what will be a very busy and eventful Term 4.

The start to Term 4 was heightened and made more special by the Holy Night of Lailatul Qadr. May all your prayers be answered and blessings of peace to all.

This week Tuesday, our VCE students had their very important LOTE Turkish Oral Exam. We are praying that they have done well and hope that you can all support our students and remember them in your prayers. Next week on Thursday our students will be sitting the written component of LOTE Turkish. Again our prayers and support extend to our VCE students.

As you all are aware our students in the Infant Department are going swimming this term. We hope that they will learn how to swim and hopefully master the art of getting dressed very quickly.

On Friday of this week it is Eid ul-Fitr—Ramazan Bayrami. May the auspicious occasion of Eid bless you all with peace and bring joy to your hearts and homes.

We are looking forward to seeing you all at the Eid Celebration that will be held at school on Saturday.

Regards,

Erdal Kocak
Principal

“QUOTATION”

“Your task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it.”

MEVLANA
This week we had our first swimming lesson for the year. The lessons went well and the children seemed to enjoy themselves.

Thank you to all parents who have offered to help out at the swimming centre. However, we are unable to have parents attend the swimming centre this year. We have enough ISIK College teachers and qualified swimming instructors to make sure the program runs smoothly.

Most children find it easier to swim with goggles on. If you would like to purchase goggles from the swimming centre, please send $15 to your child’s classroom teacher before next Tuesday. Your child’s goggles will be sent home with your child every Tuesday. The swimming caps that have been supplied by the swimming centre will stay at school with the classroom teacher.

Swimming is part of your child’s Physical Education Program. Therefore, children in Prep to Year Two have PE on Tuesdays this term. Your child is only required to wear their sports uniform on Tuesdays.

Yours Sincerely
