Dear Parents/Guardians and Students,

It was a very busy weekend for most of our Isik College Family. On Saturday the 17th of May a group of our students and staff took part in the 7th International Children’s Festival. I have been informed that our students’ performances were exceptional and they represented their school in a very positive way. I extend my thanks to all our students, staff and parents that helped organize these students and help celebrate their day.

A day later our school had Open Day and again all staff did an exceptional job by preparing the displays and getting the rooms organized for this event. Our students also helped greatly by assisting in the preparation and hanging up their projects for display in their rooms. I would also like to thank parents who helped behind the scenes and helped with the preparations for this event. I would especially like to thank Mrs. Mevludiye Berk and Mr. Adnan Boyraz for their contributions of great food on the day.

As you would all know our volunteer bus driver Mr. Ali Ozdemir has been unwell and hopefully will be joining us again when he gets better. We wish him a speedy recovery and look forward to seeing him at school very soon.

On Monday the 19th of May, it was another national day on our calendar. We wish all our youth and family a Happy Youth and Sports Day. Unfortunately because of weather conditions our secondary students were unable to participate in some sporting activities to celebrate this day. We anticipate celebrating it on a later date when the weather conditions are better.

We would like to notify all our parents and friends that our Entrance Exam this year will be held on Sunday, 1st of June. If there are any friends that are interested in enrolling their children at ISIK College, please inform them of the date of our exam.

We would also like to inform all our parents that the Behaviour Management Seminar with Ms Jenny Mackay is on the 5th of June. This seminar will be conducted at school and will run from 7.00pm-9.00pm. Please set aside this time for this as, these seminars are very beneficial for all of us to reach and be of assistance to our children.

We are nearing the end of the term and the mid-year exams are nearing. We hope that all our students are busy preparing and trying very hard to complete their assignments and also make summaries of what they have learnt. We urge all students to take these exams seriously as they all need the credits to pass the year.

As you are all aware, there have been unfortunate events that have been happening around the world and unfortunate countries have been hit by natural disasters that have culminated in thousands of people losing their lives. I hope that we can all help by praying for all these people and learn to give thanks to what we have as we are very fortunate to be with our loved ones. It is in times like this that we should all give a helping hand by making donations and praying for the suffering to end.

I wish you all a safe, restful and full weekend.

Regards

Erdal Kocak
Principal

“QUOTATION”

"Education is not a preparation for life; education is life itself."  
John Dewey
On Friday the 9th of May, grade 2C invited their Mums to come in for a special Mothers' Day treat. The students began by singing two songs ‘I love you Mummy’ and ‘Mummy’ which they sang beautifully. After the singing the students showed their Mums how to make flowers with pipe cleaners and tissue paper. It was a fun day!

Essential Characteristics for Gaining Respect:

Honesty
How can you ever respect someone who you can never believe is telling the truth?

Trustworthiness
You cannot respect someone who you cannot trust. It is even harder to respect someone who has previously broken your trust.

My Goal is to...

Be accountable

Hedefim...

Sözümde durmak
