Dear Parents, Students and Staff,

We have successfully come to an end of a short and very busy Term. Students have completed their termly exams. It is recommended that parents follow up with their children’s work. You may discuss any issues or matters regarding your child’s performance in the Parent Teacher Interviews to be held on Monday 7th of April between 10am and 12pm, where you will also be receiving their exam results.

Teachers are finding that some students have still not got into the routine of completing set homework. Please find a suitable time for your child to complete their homework and try to stick to this time each day. Do not leave it too late as they will be tired and will not be able to concentrate. Also, try to find some time just to go through their homework with them and make it as stress-free as possible!

New school uniform has arrived and is readily available at our campus. If your child needs uniform, please see our secretary for assistance.
