Dear Parents, Students and Staff,

I warmly welcome back all students, teachers and staff to term 3, realizing how quick last semester has passed us by. Last term, our school raised a total of $175 for Good Friday Appeal. All donations are very much appreciated. The Good Friday Appeal is a unique fundraising activity with a common goal to raise money for The Royal Children’s Hospital in Melbourne, and to ensure all children with life threatening illnesses receive the best medical and clinical care.

Our Primary School Nursing Program, has taken place on Thursday 17th July. The aim of this program was to offer a health assessment to children in their first years of school, which aims to see children with identified needs.

All students will be participating in National Tree day. National Tree Day is Australia’s biggest community tree planting event and a day for all Australians to help out by planting native trees and shrubs at a Tree Day site. It seeks to inspire, educate and recruit Australians to actively care for our unique land. Each year, around 200 000 Australian school students participate in a special National Tree Day event designed just for children.

Lastly, Education Maintenance Cheques have arrived. Please collect E.M.A cheques and student reports from office if not yet collected.

Yours Sincerely,

Hatice Demirbas
ISIK College - Shepparton Campus Principal.
