Dear Parents and Students,

During the first two days of my stay at New York we visited some of the Turkish schools. All of them were over the American school standards and have succeeded a lot in a short time.

We attended a short meeting about a program that is being used in one of the schools. Some Turkish computer engineers are still working on. And they also advertised the program. The program was about parents who do not want to come to the school. You stay at home and follow every step your child makes in education. This is not live but it provides proper and up to date information.

Also, in Manhattan, I went to a school that used to be a church. I found the school very planned. You can see that they have put a lot into the work for the school.

I would like to thank our parents for coming to the children’s festival night. It was great to see the support of the parents. We hope to see all parents again in the near future programs.

I hope all is as you please.

School Principal
REMINDER:
* I thank parents who came to our children’s festival. Everyone had a great time. Specially our students were lovely and very cute.

* Parents who would like to help for Lunch orders, can ring the school office and let Mrs. Emine Umur know. This week students had Pasta yogurt/Bolognese/Plain with a drink. Parents who made the pasta was Pembe Avan and Rukiye Yavuzel. We thank our parents.

* Friday the 8th of May grade 5/6 will be participating an excursion to the Mosque.

* Next week, Thursday the 7th of May is the Last day of book club.

* This week our school nurse has done a health check of our prep class. Some of our students have been given forms from the school nurse. Parents need to fill out and return it to the office.

Thank –you

A photo of Resad Ozbay and Ahmed Yavuzel.

In Art, we made fairy wands. We decorated it using glitter and textas. It was fun. We read the story of Cinderella and Rapunzel.

We are making a project on advertisements this term and the topic will be toys of course. For the project we watched the movie Toy Story. Next week we will start making our own advertisements.

Toys are fun things to play with.

Of them all I would pick the

Yo-yo which is fun and tricky.

Some of them are in different colors and sizes.
