Dear Parents and Students,

Education is very important. Why is it important? For freedom and development and gaining strength for the nation. According to Ataturk the most important matter in life was education, because education gives the nation freedom and be honourable. What does lack of education do? Allows the nation to become less advantaged and in need. Years later Ataturk was asked “If you were not the president, what would you have wanted to be?” his response was, “The minister of education”. With his response he is showing us the important of education.

This week our students went to Geelong on an excursion. I was concerned as it was along trip. But after the trip we thought it was worth it. Everyone was happy and it complimented the theme on “Fairy Tales”.

On Thursday parents are cooking Manti for the lunch order. Parents can come between 12-2pm to help with the lunch order.

I hope all is as you please

We have been reading different fairy tales throughout the term. Students made masks of their favourite fairytale character. Everyone did a great job. We had Fun !!!!
Aleyna, Emine, Esra and Melih with their masks.

In Grade 2 and 3 we made Fairy Tale mobile. All did it pretty nicely. We have decorated the classroom with these fairy mobiles.

In Grade 4, we have learnt about how Frisbee works. So next time when we fly it, we will know the secret in the flight.
