Dear Parents and Students

Mums, dads and friends. Have you ever played the game I Love You? Then are you ready to play? I’ll start: “I love you because …..” Please finish off the sentence. Another example “I love you because when I see you it makes me want to do good things for the people around me” Ok now its your turn.

We will be starting Term 2 Holidays this week. The first day of Term 3 is 13th July Monday. Our student report will be put into a more professional format. We will be able to provide parents with semester 1 reports in the second week of school on Monday the 20th of July. This is the reason why parent teacher interviews have been carried forward to the second week. These holidays are a great opportunity for students to study read, even go over and revise the work done in Term 1 and 2. It is in our hands to use the holidays wisely for our students.

I hope all is as you please

Principal
REMINDER:

⇒ Finally students have finished the term. But it doesn’t mean that school has finished. Students need to still practice on the holidays. Teachers have given out some holiday work to do on holidays, so students have to finish it and return it after the holidays.

⇒ This term for our Parent teacher interviews we will be in the second week on Monday the 20th of July. Students will be coming back to school on the 13th of July.

⇒ On Friday the 19th students had a Fire drill day and a Toy day. Students all had fun and they learned how to run out if there is a Fire at school.

⇒ We have got some of our students photos done from school, if parents would like to buy some, they can buy it on the parents teacher interview day.

ALL STUDENTS HAVE A GREAT HOLIDAY AND WISH TO SEE YOU ALL IN TERM 3.

Thank - you
