Dear parents and students

The bush fires around the Goulburn regions has effected everyone deeply and sadly.

We hope that we don’t experience such a disasters in the future ever again. It is nice to hear that some of our school parents have volunteered in going to the site to help. Last week i visited the priest Peter Jeffrey of the catholic church I also spoke with him about this matter and he was happy to hear about the contributions.

Next week we will be starting our extra lessons on Monday & Thursday. We would like those students that the teachers have chosen to participate in these lessons. This year the students will be dropped off by the school bus after 5 pm. A note to parents about this has been sent home. The permission form has to be back to school by Monday. For more information contact the school office.

You Sincerely

Nail UMUR

This week in P/1 we have been learning the letter Mm for Preps and our numbers one to five. We have started our exciting theme work on Space and have looked at the moon and its different phases during our S.O.S.E lesson.

The children are most interested in keeping track of how the moon changes in the night sky over the next few weeks.

Students of Grade 2/3 have been learning about space this week. We did Acrostic poems using space words. All of them did wonderful work. Here is a sample of work to share this week.

Ayse .K. & Bukre .K.
We learnt about constellations this week and made the shapes using matchsticks.

This week we had a party in our class. It was Safiye’s Birthday. Her parents brought cake for everybody. We had photos and cake. It was really wonderful and the students loved it.
