Dear Parents and Students

During the winter months, to protect the students from the cold, we have to make sure they dress accordingly. During term 3 and 4 we have to make sure the students are in full school uniform. When we check the students we can see some are still with school shirts only. I wanted to remind the parents that our duties for our children are making sure they have good nights sleep, doing their homework daily, making sure they are always clean and have healthy food in their lunch bags.

For last week’s lunch order, I would like to thank Sevil Aktas for her help.

I hope all is as you please

Nail Umur
Principal

**UPCOMING EVENTS**

7th Friday August: IMAX (Melbourne Museum)
10th Monday August: School Photos

**OFFICE HOURS**

Monday - Friday
8.20am - 4.20pm

- Students will be going to Imax Melbourne Museum on the Friday 7th of August. Please make sure you send the note and the money in an envelope before the day.

- Teachers have given out notes for lunch order day. Please send note before the day.

- Monday 10th of August students will be getting school photos taken please make sure your child is in correct uniform.

*Thank-you*
Shape - A - Saurus: We used construction papers of different shapes to design and make our own dinosaurs. We decorated them using text as. We really did great work!!!

Grade 1/2 students have been learning about dinosaurs and this week they worked on computers to write a report on their favourite dinosaurs.

This week we have learnt about dinosaur skeleton. It was fun learning about the skeleton of carnivores and herbivores.

Most students have been happy about working on their dioramas and learning new concepts in maths and science.
