Dear Parents and students,

We all start our education from a young age. Scientists have proven that the child’s education begins in the mother’s womb. It is said that your child begins learning whilst the mother is pregnant. Therefore it is understood that throughout all our lives we are being educated. We will see that the non-educated people cannot communicate, cannot help, are in fault, cannot give love or respect, and that their happiness fades. We should try to be involved with the educated community instead of complaining about the non-educated.

Our school soccer team ‘Light United’ will start their training lessons this week. All students born between 1997-2002 can attend if they wish. Also grade 3 and 5 students will start their practice sessions for tests this week. Please make sure your child studies for this test at home every night until tests are over. We have sent home notes about this matter. So please keep track of them.

I hope all is as you wish

Yours Sincerely

Nail Umur
Principal
REMINDER:

* Monday the 9th of March 2009 will be a pupil free day for students.

* Also on Monday 9th of March between 1pm and 3pm students of grade 3 & 5 need to be at school for studying for NAPLAN test. The bus will pick them up and drop them back home.

* School start bonus checks for Grade Preps have arrived and are waiting to be picked up at school office.

* Shoes with shoe laces are not very safe for P/1. We prefer Velcro shoes.

NOTE:

Some students are bringing unhealthy food to school for snack time. These foods include chips, chocolates and soft drink. As a school community we are trying to encourage students to eat healthy foods and get lots of exercise. We are encouraging students to bring healthy food, Example; Fruits, Cheese, healthy muesli bars (be careful as many contain high levels of sugar).

Thank-you

We’re on the Web!!!!

OFFICE HOURS
Monday - Friday
8.20am - 4.20pm
Mrs Thomas Grade Prep/1

Grade Preps/1’s art work. We made woven people. It was hard work but we had fun. (Beyza Tulek, Pelin Avci, Melih Bilir.)

Mrs Aminder Malhi Grade 2/3

Students have been learning about the Solar System and its planets. They made models of the Solar System. Everyone did a great job!

Miss Manvinder Kaur Grade 4

We made paper teeth and learnt about different types of teeth. It was fun!

Mrs Tarbinder Pandher Grade 5/6

In the technology class we made a space travel poster. ‘A cool trip to MARS’
Serkan Yamankol
Murat Yavuzel
Furkan Umur
ACROSS
1 A travelling show with clowns and animals
5 Butter is made from this
7 Someone who flies an aeroplane
8 A towel is used for ___ yourself

DOWN
2 An animal with a humped back
3 Trousers that cover only the top part of the legs
4 Frightened
6 The opposite of full

9 - 9 = - 5
9 - 9 = - 5
+ 6 = 1 0
+ 6 = 1 0
3 + 3 = 6
3 + 3 = 6
1 + 1 = 4
1 + 1 = 4
7 + 7 = 1 0
7 + 7 = 1 0
