Dear Parents and students,

Lor Halifax once said “What we learn, we forget. The remaining is our mannerism.” By him saying this he has shown us that education and mannerism are two different things. Mannerism comes before education and stays with a person permanently. A person who hasn't received mannerism is uncontrollable. The damage that this person can spread is unpredictable. Manners are learnt not only at school, but you get them from the environment you are in and everyone should take responsibility for their own mannerism.

This week our Term has finished and students are going on holidays. After holidays on Monday 20th of April we wish to see all our parents at school for Parent Teacher Interviews. Students will be coming to school on Tuesday the 21st of April. All students are excited for the children’s festival. Hope we are going to organise a program. We will let the parents know about the children’s festival program.

STUDENTS

Thank-you
Grade Prep and 1 have finished Term one with a fun Art/Craft activity. We made alien face masks using paper plates, pipe-cleaners and streamers. It was a lot of fun! Some of the masks looked funny. Some looked scary!

**Space Story**

Once upon a time I woke up and I was green. I had three eyes and lots of teeth.

I said, “I can’t live here. I have to live in space now”.

Tugba said, “I think, she is an alien”.

I went to space in a rocket and I saw every planet-

Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus and Neptune.

I saw aliens on the planets.

They were very scary!

I ran to the rocket as I wanted myself to be safe.

I turned back into a person and went home.

We lived happily ever after.

Last week Behnan and Yasar went to Sydney Opera House. They performed a traditional Turkish play. They won $50 each. Undoubtedly they made our school proud. Well done boys!
