FROM THE PRINCIPAL

Dear Parents and Students,

The year has drawn to an end. We are in the midst of workforce planning for 2011. To ensure the best learning programs and provide the best teacher/student ratio, it is imperative we know how many students will be attending Isik College Ibrahim Dellal Campus. We also welcome new enrolments, if you know of anyone who is intending to enroll a child for Prep next year and hasn’t already done so, please inform them the enrolments need to be completed now or their child may miss the opportunity of a place at our school. If you know your child will not be returning to our school next year, please inform the office.

We would like to extend our farewell thoughts to our two families who are moving to another State. We wish Said and Ibrahim family all the best in the future and we will provide them with ongoing support as they have enrolled their children at our ISIK College Campuses. On this note we also would like to say a huge thank you to our Grade 6 students who have been a great role model and valuable members of our school. We wish they continue with great academic results in high school.

We are looking forward to many exciting programs for 2011. Our Parent and Friends Association will be updated on the improvement and resources that will take place during the holiday season. This will include upgrades in our library, ICT room, LOTE room and provide extra-curricular activities afterschool.

Thank you for all your support and hope you all have a safe and enjoyable holiday.

Yours Kindly:
Ismail Kullu

QUOTES

Education is not the answer to the question. Education is the means to the answer to all questions.

***

The object of teaching a child is to enable him to get along without a teacher.
Aylin was riding the bike and on the other hand she was controlling the skeleton.

Boys are looking very busy and interested.

Grade 5/6’s were competing for a race.

Girls are aaaaamazzzzzed.

Whole School @ Scienceworks

Grade One and Two class had a great time at Science Works. We had a chance to build on our knowledge about fitness and sport games. This excursion was in conjunction with our Integrated topic ‘Commonwealth Games’ students had the opportunity to race with Cathy Freeman and learn about their own fitness and strengths.

Our trip to the Melbourne Zoo

During Wednesday (8 Aug), we had a whole school excursion to the Melbourne Zoo. We all went in our classroom groups and went in separate places. First, we had our snacks. We put our bags down and went to look at the mammals and reptiles. Suddenly, it started to rain, so we had to find shelter very quickly. After the rain had stopped we went to see the lions and had the opportunity to take photos. We were all wet from the rain; we started to shiver because our uniforms were very wet. We went with Mrs Olmez’s group to see the elephants, giraffes and monkeys. After that we ate our lunch and went to see the penguins. It didn’t stop raining all afternoon. We boarded the bus and arrived back at school. We all had a fun wet day at our excursion.

Aylin Turan, Grade 4
Good bye and good luck

The year has finally come to an end. It has been a lovely year and I wish all my students the very best of luck. This term has been amazing with fun activities and exciting experiments. Our excursions have been fun and students have really developed. This has shown in all the students. Wishing everyone a safe and wonderful new year.

Have a look at our fun end of year excursion photos.

What’s wrong? It wasn’t me!

Teachers having a wonderful time

IN MEMORY OF...

Phillippe was a very kind hearted and hard working librarian. He enjoyed working at ISIK College because he loved the environment, respectful students and welcoming teachers. Philippe always showed dedication and put hundred percent into his work. Due to his caring nature, he would assist anyone when they needed help without any complaints. We had been working together for five years. It was a great pleasure for me to work with a real gentleman like him. All the memories we have will be cherished forever. May you rest in peace my friend.

Hilal Kuyruk
Librarian
We had so much fun at Nando’s. The food was yummy. I thank you Mrs Olmez and Ms Ozlem for taking us to lunch (Beyza Aksoy)
We had a long walk to Nando’s. The preps were following us and we all had a good time eating and talking (Zeynep)
The food was so yummy. We had a chicken burger and chips. I could not finish all my food. (Khalid)
I loved Nando’s I hope we go again. We had a good walk and we shared good times with the Prep class (Veli)
We had a great time at Nando’s we were very hungry. We ate all our food and was satisfied with our meal. (Samed and Kumail)

I AM A HEALTHY CHILD IF I...
Drinking plenty of water...
Have good food habits...
Eat all my fruit and vegetable...
Be physically active...
Eat minimal junk food...

If I do these in routine, I would be a healthy child and this will lead to a healthy adulthood.
**Holiday Time**

WOW!!! We have come to an end of a year. We had so much fun this year and at the same time we are very tired. So parents are probably wondering what they can do to keep their children occupied. Especially if there are no holiday plans. Here are some helpful websites that will keep your children motivated and busy during the holidays...

Department of Education and Early Childhood Development

Brimbank Libraries. What's on for kids?

Activities for Kids
