FROM THE COORDINATOR

Dear Parents, Students and Friends,

What a fun filled busy term we have had. Students were able to further enhance their learning this term by attending various incursions/excursions. For example: Grade Prep students attended Green Gully Traffic Safety School, Grade 1/2 students had a Mini beast incursion, Grade 3, 5/6 students attended the MUSEUM, Grade 4, 5/6 students enjoyed ice skating (pastoral care) and the Grade 4 students also had a yummy lunch at Nando’s. I would like to congratulate all students on their behaviour whilst attending these excursions. They certainly made me feel very proud.

I would like to also take this opportunity to thank parents, students and all staff who attended and helped throughout our OPEN DAY. Although the weather wasn’t the best, families were involved in lots of fun; playing on the jumping castle, relay races, cooking, Ebru lessons, henna designs, buying from our cake, fairy floss and popcorn stalls. Money raised on this day helped purchasing board games for each class.

The AUCTION DINNER was a very nice evening. Thank you to all that attended. Your kind donations were much appreciated. Big thanks also to the grade 5/6 choir, who performed wonderfully on the evening.

REPORTS - Teachers have begun working on student reports after a very busy period with assessment. Student reports will be finalised by Friday the 1st of July, and can be picked up from the office between the hours of 9.00am-3.00pm. I hope you all have a safe and happy time together with your family during the semester 1 break.

Kind Regards,
Mrs Halide Atasay
On Monday the 20th of June, we went on an excursion to Green Gully Traffic Safety School. First we went on the school bus. Then we talked about how we keep safe on the road with Mrs Helen. Our teachers helped us put on our helmets and then we rode our bikes safely on the road. We stopped when we came to a red light and went when it turned green again. We used the signs to STOP, Give Way and then go safely again.

Thank you to Ms Ozcan and Mrs Ramadan for all their help. We had a lot of fun. By Grade Prep

We had a lot of fun riding our bikes at the GREEN GULLY Traffic Safety School.
The grade 1/2 students during their Art classes this term were a very busy bunch. Students created mini-beasts out of clay, created coral reef diorama's, designed an insect's habitat out of paper, designed paintings of mini-beasts creatures and created face masks. The students were surprised at how artistic they really were. Check out some of our masterpieces.

**Grade 1/2 created mini-beasts out of clay**

Gulhan created a group of Red Back spiders

Ersan created a grasshopper

Elike created a ladybird

Gulrana created a bee

Mohamed created a caterpillar

Sennih created a caterpillar
MELBOURNE MUSEUM

The Grade 3, 5 and 6 students went on an excursion to the Melbourne Museum. Students were able to explore and have first-hand experience and further their knowledge about Australia-Multicultural Country. We saw lots of pictures of Aboriginal people and learnt about their dreamtime stories.

HERE ARE SOME PHOTOS FROM MELBOURNE MUSEUM

Grades 3, 5 and 6 students are visiting the Melbourne Museum.

This picture expresses how, British Colonies came to Australia and treated Aboriginal people in bad conditions. They took their land, their culture and their family away.

Zehra, Ijabo, Samera, Ceylan and Sevqi on the olden day roller coaster. Having so much fun.

Zzzzzzzz wake up girlssss!

Wow! We went back to 65 million years ago, when dinosaurus existed.

Olden day kitchen

Australian Coat of Arms

Aboriginal Art Work

This Aboriginal Car was used as a funeral car.
On the 07/06/2011 Tuesday grade 4/5 and 6 attended the Ice-Skating excursion as part of their pastoral care. Mrs Hulya Kul and Ozlem Coskun were very proud of the student’s behaviour. Students were all engaged and had a lot of fun.
