Message from the Principal

Dear Parents and Students,

What a successful 2011 academic school year it has been. We have reached to the end of the year and I am aware that with every last issue of the newsletter I repeat my thoughts by discussing the year. However this issue is substantially different, because I am leaving our campus. My work will continue at Meadow Fair ISIK COLLEGE Campus. For the past two years, I have experienced an exceptionally memorable years at Ibrahim Dellal Campus. It was a great privilege to have worked within a supportive network. This will be including our good parents, students and staff. I will remember you all. I do feel sad that I am leaving, but I am fortunate to have developed strong friendships and memories.

Our school is growing rapidly. We have proudly doubled our numbers in enrolments. Our high school will be opening its doors for 2012, and our students and parents are excited about this. Unfortunately, there will be short delay with using our new building. However we have enough number of classrooms in the portable wing.

We will have an Information Technology room, drama room and staff room for secondary teachers and a great library in the new building. We will be offering elective classes for secondary students. They will comprise of drama, music and LOTE (Arabic) subjects. We hope that this will cater for our individual student and community needs.

I would like to inform our school community about some staff changes for 2012. Mrs. Emel Üzay will be leaving for maternity leave. Miss Bahar Kaya will be teaching the Grade 4 class for 2012. Mrs. Muge Guven is leaving our school because of family commitments. Mrs. Fatma Kullu is going to continue to teach Turkish at Eastmeadows Campus in 2012. We wish them all the best.

I hope that you all have a safe, rejuvenating and fun holiday. It is a great opportunity to spend time with your family and loved ones. This is what I will be doing. I have thoroughly enjoyed the experience at ISIK College, Ibrahim Dellal Campus and thank you for leaving me with precious memories.

All the best...

Mr. Ismail Kullu

Dear Parents/Guardians,

I have had great pleasure in teaching my grade prep class this year. Students have made great progress and it was rewarding to see them grow. I am also looking forward in being their grade 1 teacher next year.

I would like to thank all parents for their support over the year. I would also like to especially thank Mr Abidovic and Mrs Arikan for their contributions for the grade prep concert. The grade prep performance was wonderful and everyone had an enjoyable night. All the hard work certainly paid off. Well done to everyone who performed and assisted on the night.

My first year at Isik College- Ibrahim Dellal Campus has been very rewarding along with the challenges. I would like to thank Mr Kullu for his support throughout the year and wish him and Mrs Kullu all the best of luck at their new school next year. Mrs Muge will be taking leave and Mrs Emel will be on maternity leave next year. I would like to wish them all the best for the future.

I would like to take this opportunity to wish all students, parents and staff a happy and safe new year.

Hope to see everyone back for the 2012 educational year.

Regards,
Halide Atasay

Grade 4 have been busy investigating nations this term. Our museum visit helped us understand why some people migrated to Australia. We listened to some fascinating stories, some were sad but the message was the same; people were in search for a place to live in peace.

What I found very interesting is that looking at the big screen was very sad because people who were talking were sad and lost their lives.

Selvi Aydin

What I found very fascinating was the ship that had four bunk beds and a lot of other stuff that migrants bought with them to Australia. There were a lot of sounds and people talking inside the ship.

Zeliha Kaya

I didn’t know that the ship that people came to Australia with had all that stuff in it.

Mohamed Abdi

Yesterday we went through the immigration museum; we saw a lot of history and we saw old things. We went into the ship and heard noises. We got to try out the bunk.
